Dear Parents,

Sub: SHARING DAY –TOY DAY

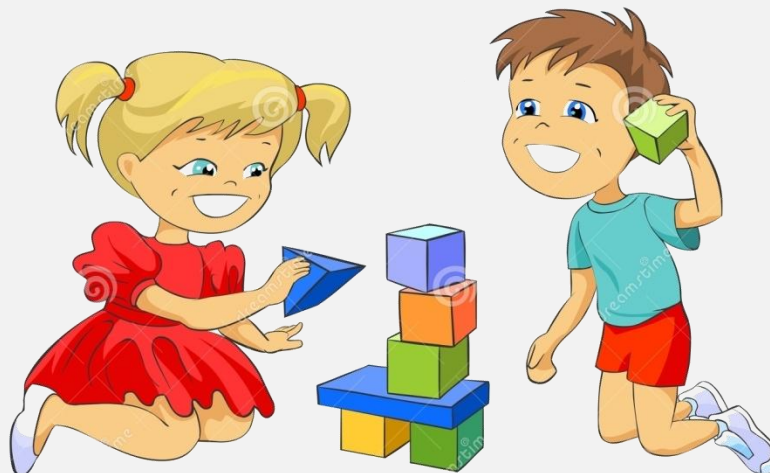

**Sharing** is a vital life skill as well a big challenge for children.

In order to learn the **skill of sharing**, children need adults to provide them with many different opportunities where they can practice how to share with others.

**'Sharing Day'** gives us one such opportunity to teach Kindergarteners (Students of KG-1) the **'Skill of Sharing'**

Kindly send a **'soft toy'** with your child to school on **19<sup>th</sup> April 2017**.

Regards
