1.ADMISSION POLICY

All applications are considered on the basis of Merit.

If the number of children applying for admission exceeds the available seats, we will enforce the procedure set out below in order to determine whether a child is admitted or not. It is our wish to allow parents the right to have a place at the school of their choice. However, this is not always possible, due to the application for admission exceeding seats available.

Children from the neighborhood, siblings of the enrolled children and staff children are given preference in case applications outnumber the availability of seats.

When students from diverse academic backgrounds apply for admission we conduct a test in English, Mathematics, Science and General Knowledge to ascertain if the student is eligible for the class applied for.

Admission Procedure for Classes:

Admission to Grade IX, X, XI and XII is at the discretion of the Principal, depending upon the child's performance in the last annual examination and as per CBSE guidelines.
