Innovation**

1. ATTENDANCE POLICY

No student should miss class or keep away from curricular activities conducted in the school.

Schools are judged strictly by Ministry of Education for attendance and outstanding attendance is being judged as **98%**. Condonation in deserving cases is granted only when the parent applies for the leave of his son/daughter on any of the following grounds.

- Sickness of the student (Supported by Medical Certificate)
- Student's medical treatment (Supported by Medical Certificate).
- Medical treatment of the parents or confinement of the mother and the father's inability to arrange for the stay of the student.
- Bereavement in the family.
- Any other ground acceptable to the Principal.

According to CBSE rules a student falling short of 75% attendance is not allowed to sit for the CBSE Examination of Grades 10 & 12.

The school supports all students and promotes the importance of good attendance in the following ways:

- **Proficiency Award** for 100% attendance
- Articles in school newsletter, student bulletin, letters to parents and progress report
- Positive ethos and messages in assemblies.

Application for leave:

Application for leave up-to 15 days is to be submitted to the Principal on a prescribed form and sanction obtained in advance of the student's proceeding on leave. No information on telephone is acceptable. Granting of leave does not necessarily mean that the student's name will be continued indefinitely. Leave is not granted during examination. Absence during any of the examinations will result in the student's detention.

Leave/Absence during the school session is recorded in the Absence/Leave Card maintained in the school. Students falling short of 75% attendance will not be eligible to sit for the final examination.

Parents should make the necessary arrangement to tutor their wards to cover the scheduled portion during the leave period. Special tests will be given when the students rejoin the school.
