

Sub: Maths in Everyday Life for UKG Students

We have commenced, **Maths in everyday life**, an activity for upper KG students on **15th November, 2015** and will continue up to **22nd November, 2015**.

On the concluding day, **22nd November, 2015**, there will be a '**Food Stall**', wherein they will practice using Money.

For this purpose, may we request you to send **Dhs. 5/- (Note)** with your child for purchasing the desired snack from the stall.

We request your cooperation in this regard.

Thank You.
