"Food is our common ground, a universal experience"

-James Beard - a famous American Chef

Dear Parents,

Food festivals are celebrated around the world and everyone lives by this quote. We are glad to inform you that IPHS **'Student Council'** has taken initiative towards this experience and has organised a **FOOD CARNIVAL** on the **4th May 2016**. The food carnival will consist of food stalls put up by students & teachers.

Towards making this an exciting & joyous experience, we would request you to encourage your ward to bring a maximum of AED 5/-, so that they can enjoy every bit.

Your support will be highly appreciated.

Thank you

Anubha Nijhawan

Principal
