6. In certain cases, parents advise the bus staff from their balconies / residence to drop the students; in such cases the parent must give a letter undertaking that it is acceptable to them to drop off the students if they are visible to the bus staff. If such an undertaking is not given and an adult is not available to receive the child/children, they will be brought back to the school. If the younger students have older siblings (Year 5 and above) travelling with them, and an undertaking has been given that they can be dropped in the care of their older sibling, this will be done.

8. If the above is not strictly followed by any parent, the students will be brought back to school, and it would be the responsibility of the parents to collect the students from the school.
9. For safety and security reasons, if the required drop off is requested for an unusual location, a written request, signed by the parent/guardian is needed.
10. Parents are required to inform the Transport in charge / School Administration if a student is absent on any day. If a student does not want to use the return trip for any day, the parent should provide a written communication or send an e-mail to the Transport in charge / School Administration.
11. In case of change of residence, provision of transport service will be subject to the availability of seats on established routes. Fees will apply as applicable to the new pick-up area as per the fee structure.
